

# Raycia Maria Frances R. Navera

BACHELOR OF SCIENCE IN COMPUTER ENGINEERING  
MAJOR IN SOFTWARE ENGINEERING

## Entry Level Front End Developer

### Profile

I'm a motivated Computer Engineering graduate with a passion for front-end web development and a sharp eye for design and details. I excel in fast learning, am deadline-oriented, trainable, and always eager to embrace new technologies. I'm excited to contribute my web development skills and grow within a company that values innovation, growth, and collaboration.
